PART NUMBER:

# FHPS35/MED

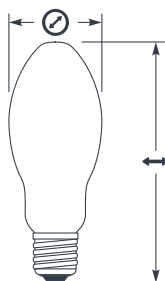

## DESCRIPTION:

Fusion ED17 HPS Lamps offer an environmentally friendly solution and deliver low operating costs and energy-efficient performance. These lamps are TCLP approved and have substantially lower disposal costs and reduce environmental waste. HPS lamps are one of the most efficient HID light sources available. The Fusion series of clear HPS lamps are ideally suited for roadways, area and security lighting applications where high efficiency and long life are preferred but color rendering is not critical. Family of clear HPS lamps are ideally suited to roadway, area and security lighting applications where high efficiency and long life are preferred but color rendering is not critical.

## FEATURES:

- Long Life - reduces replacement and labor costs
- High efficacy
- Benefits a cleaner environment

## DIMENSIONS:
