FHQ300T3/118MM

DESCRIPTION:

FUSION's HALOGEN T3 lamps are designed to perform and deliver a bright, clear light that is perfect for retail and hospitality applications and since these lamps deliver more lumens per watt, have perfect color rendering, consume less energy and last longer than standard incandescent lamps, they are the ideal, cost efficient choice for most applications.

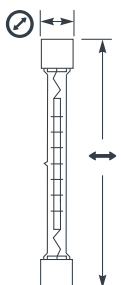

FEATURES:

- High Color Rendering
- Treated glass lens helps reduce UV radiation
- Glare Reduction and Maximum light distribution
- Available in various shapes and sizes to fit your application
