FLV35MR16/38°

DESCRIPTION:

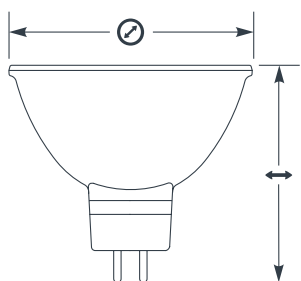

FUSION's HALOGEN MR16 lamps are designed to perform and deliver a bright, clear light that is perfect for retail and hospitality applications and since these lamps deliver more lumens per watt, have perfect color rendering, consume less energy and last longer than standard incandescent lamps, they are the ideal, cost efficient choice for most applications.

FEATURES:

- High Color Rendering
- Glare Reduction and Maximum light distribution
- Aluminum coated reflector
- Crisp halogen light provides vivid colors and textures
- Fully dimmable
- Treated glass lens helps reduce UV radiation
