PART NUMBER:

# FTG8/T12

**DESCRIPTION:**

The Fusion shatter-resistant Tube Guards are an effective, economical solution to protect fluorescent lamps where breakage would be hazardous to the surrounding environment. The clear, polycarbonate lamp sleeves with end caps are available in three sizes to properly protect T5, T8 or T12 fluorescent lamps without interfering with lamp light output.

- FEATURES:**
- Ideal for use in retail, industrial, automotive and food processing industries
  - Can be cut to size for shorter length lamps
  - Not for use with high output lamps
  - Must be used with provided end caps
