# FI65BR30/FL

**DESCRIPTION:**

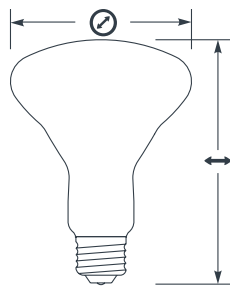

Fusion's BR30 Incandescent Reflector lamps are available in various wattages. The lamps are ideally suited for directional and general luminance applications. The frosted lamps provide a softer light with reduced glare. The lamps can be dimmed to reduce brightness and create ambience.

**FEATURES:**

- Creates a warm ambient light
- Fully dimmable
- Economical Choice
- Ideal for use in general as well as task lighting applications, recessed lights etc.

**DIMENSIONS:**
